Dear Sir,

**Ship Security Alert System  
SSAS SHIPLOC V**

This is to confirm that the SSAS SHIPLOG V beacon (type TSS A01SSG-005) ship security alert system manufactured by CLS France has completed a functional test by initiating an alert signal from service station of CLS at France on 27 October 2006 and is found compatible with the reception facilities in the Maritime Rescue Co-ordination Centre of Hong Kong Marine Department. Thus, this ship security alert system is acceptable to be installed on Hong Kong registered ships.

Yours faithfully,

(W. H. Leung)
